REQUEST FOR REVIEW OF PATENT TERM ADJUSTMENT

MAIL STOP EXT

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

It has recently come to our attention that there may be an error in the patent term adjustment calculated by the U.S. Patent and Trademark Office for the above-referenced patent application. Specifically, the patent term adjustment pursuant to 35 U.S.C. 154(b) of 412 days indicated on the Determination of Patent Term Adjustment, PTOL-85, may limit the term of this patent by too few days. It is our belief, based on an independent review, that the correct patent term adjustment may be 231 days. Please review the calculation of the patent term adjustment and make corrections, if necessary.

Respectfully submitted,

Date: 10/28/10

Jon H. Beaupré, Reg. No. 54,729
